DECISION ON ATTORNEY'S FEES AND COSTS¹

On November 5, 2021, Eric Adamczyk, parent and legal guardian of J.A., a minor, and J.A., in her own right, filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). J.A., or Julia Adamczyk, is now the petitioner in this matter. November 8, 2022 a decision was issued awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 31.

Petitioner has now filed a motion for attorney's fees and costs, dated January 19, 2023 (ECF No. 36), requesting a total award of \$17,048.08 (representing \$15,046.50 in fees and \$2,001.58 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. ECF No. 37. Respondent reacted to the motion on January 20, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. ECF No. 38. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$17,048.08** (representing \$15,046.50 in fees and \$2,001.58 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
